Anti-Trust Statement and Policy

INSTITUTED AUGUST 2009

All members present at this meeting are in the real estate brokerage business or REALTOR® Association management and some members are located in the same market area.

As a result, anti-trust laws prohibit discussion at this meeting by anyone concerning competitive business practices and/or the amount of fees and/or commissions charged or to be charged to clients and/or compensation and/or splits paid or to be paid to salespersons by any member.

All members present at this meeting are here only to discuss the business of Midwest Real Estate Data LLC, in your individual capacities as members of Midwest Real Estate Data LLC, all in accordance with Midwest Real Estate Data LLC policies and procedures.

Accordingly, it is the policy of Midwest Real Estate Data LLC that Midwest Real Estate Data LLC will not entertain any discussion prohibited by anti-trust laws and as stated above and as described herein.
