#### SECTION 1(a): PARTICIPATION

Any REALTOR® member of an Association /Board that Midwest Real Estate Data LLC provides services to, who is a principal, partner, corporate officer or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these Rules & Regulations, shall be eligible to participate in the Service upon agreeing in writing to comply with these Rules and Regulations and MRED's Subscriber Agreement. However, under no circumstances is any individual or firm, regardless of membership status, entitled to participate in the Service unless they hold a current, valid real estate broker's license, ~~and offer or accept compensation to and from other Participants~~ or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Cooperation is the obligation to share information on listed property and/or to represent buyers or tenants in purchasing or leasing properties of the type listed on the MLS. Use of information developed by or published by the Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized use(s) are prohibited. A licensed leasing agent shall not engage in any licensed activities other than those permitted by law. No person working on a 120-day leasing agent permit is eligible to participate in the Service. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed by or published by the Service, where access to such information is prohibited by law.

## Rules and Regulations

**Note:** Mere possession of a broker's license is not sufficient to qualify for Service Participation. Rather, the requirement that an individual or firm ~~'offers or accepts cooperation-cooperates and compensation'~~ means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the Service and/or to represent buyers or tenants in purchasing or leasing properties of the type listed in the MLS, and/or to accept offers of cooperation and compensation made by listing brokers or agents in the Service. "Actively" means on a continual and on-going basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude Service participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny Service participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit the Service to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

This requirement shall be applied in a non-discriminatory manner to all Participants and potential Participants. This requirement does not permit denial of participation to a Participant or potential Participant that operates a Virtual Office Website ("VOW") (including a VOW that the Participant uses to refer customers to other Participants) ~~if the Participant or potential Participants actively endeavors to make or accept offers of cooperation and compensation.~~

Notwithstanding the above, licensed, and non-licensed appraisers who subscribe to the Service will have access to the Service with the following privileges: Search Active Database, Search Off-Market Database, Search Tax Records, Area Market Survey Search, Custom Reports, Financial Tools, and Hotsheets.

Additionally, the foregoing does not prohibit the Service, at its discretion, from categorizing non-principal brokers, sales licensees, licensed and certified appraisers and any other classification of real estate license, however limited in scope, as promulgated from time to time by the Illinois real estate licensing system (i.e., the Department of Financial and Professional Regulation and its divisions) or by another state's licensing system, and others affiliated with a Service Participant including a Participant's affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers, provided that any such individual is under the direct supervision of a Participant or the Participant's licensed designee, as "Users" or "Participants" and holding such individuals personally subject to the Rules and Regulations, the payment of applicable fees and charges, and other governing provisions of the Service and the limitations and restrictions of state law, and to discipline violations thereof. None of the foregoing diminishes the Participant's ultimate responsibility for ensuring compliance with the Rules and Regulations of the Service by all individuals affiliated with the Participant. Access to MRED systems is determined solely by compliance with MRED's Systems Access Policy, online Terms of Use, online Privacy Policy, and any other policy issued by MRED or as modified by MRED from time to time. All non-principal brokers, sales licensees, licensed and certified appraisers and any other classification of real estate license affiliated with a Participant will be required to pay MRED Service fees or be in violation of these Rules and Regulations (see Section 6 and Section 9.7.1) if they obtain access to MRED systems. Where applicable, the term "User" shall be interchangeable with "Participant".

- A listing placed into the Service must be displayed in the Service compilation in the proper property type according to its zoning, and in the area designated for that location. The property address shall be used to designate the property area. The following lists specific parameters to identify the correct property type: A listing with residential zoning shall only be placed under one of the residential property types unless the listing is both for sale and rent, in which case the listing may also be entered under the residential rental category.
- A listing with both residential and commercial use or zoning must first be placed in the appropriate commercial property type, and then may be placed in the appropriate residential property type.
- A vacant residential lot may not be placed in property type 1 - "Detached Single Family" (except for lots with specific plans and price for a "to-be-built" structure). Proposed construction must be disclosed in the Remarks section.
- Tear-down properties are permitted to be placed in both property type 1-Detached Single Family and property type 5-Land. The sale may only be reported on one of the properties, and the other must be marked as cancelled or expired.
- Type 1-Detached Single-Family properties with an additional adjacent lot(s) having separate Parcel ID Numbers (PINs) may be input as type 1-Detached Single Family and property type 5-Land. An additional listing of the combined adjacent properties, designated as having multiple PINs, may also be entered. This would require that, upon closing, the listing(s) corresponding to the method of sale (either individual parcel(s) or the combined adjacent properties) may be marked as closed, and all others listed must be marked as cancelled or expired.
- Homesteads larger than 11 acres are allowed to have multiple appearances in the Service database. A homestead (buildings and land transferred together) on a farm, including multiple homesteads and a farm, that is segregated for sale from a homestead of greater than 10 acres exclusive of the homestead may list the property in Property Type 1 and/or Property Type 5 Vacant Land.
- Multi-property packages (e.g., investor portfolios and packages of listings that are not available for purchase individually) are strictly prohibited from entry into the Service.

### Section 1(b) REQUIRED CONSUMER DISCLOSURE

## Rules and Regulations

Disclosure of Compensation: Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).

2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay.

### Section 1(c) WRITTEN BUYER AGREEMENTS

Unless inconsistent with state or federal law or regulation, all Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

a. a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source.

b. the amount of compensation in a manner that is objectively ascertainable and not open-ended.

c. a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and

d. a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable.

### Section 1(d) SERVICES ADVERTISED AS FREE

Participants and Subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to clients, unless the Participant or Subscriber will receive no financial compensation from any source for those services.

### SECTION 1(eb): EXCLUSIVE BROKERAGE AGREEMENTS

The Service only accepts property listings subject to an "Exclusive Right to Sell", "Exclusive Right to Lease" or "Exclusive Agency" brokerage agreement for listings of real property located within the United States. For business only listings, the Service will accept a contract between the broker and their client which provides for the Broker's exclusive representation and gives the Broker the authority to place the business for sale in the Service. For International listings (where the subject property is located outside the United States), the Service will additionally accept an Exclusive Marketing/Advertising agreement between the broker and their client if it provides for the Broker's exclusive right within the Service Area to market and/or advertise the subject property for sale or lease.

An Exclusive Right to sell brokerage agreement is a written agreement between a broker and seller to market the seller's property, giving the broker (the "Listing Broker") the exclusive right to place the listing into the Service, ~~and offer cooperation and compensation to other Service Participants.~~

An Exclusive Right to Lease brokerage agreement is a written agreement between a broker and lessor to lease the lessor's property, giving the Listing Broker the exclusive right to place the listing into the Service, ~~and offer cooperation and compensation to other Service Participants.~~

The Exclusive Agency brokerage agreement also authorizes the Listing Broker, as exclusive agent, ~~to place the listing in the service to offer cooperation and compensation on a blanket unilateral basis,~~ but reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency and exclusive right to sell brokerage agreements with named exceptions should be clearly distinguished from exclusive right to sell brokerage agreements with no named exceptions pursuant to Section 1.9 below since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell brokerage agreements with no named exceptions.

An Exclusive Marketing/Advertising brokerage agreement is a written agreement between the broker and the seller to market and/or advertise the seller's property giving the broker the right to place the listing into the Service, ~~and offer cooperative compensation.~~ Broker and/or buyer registration processes may be required. Exclusive Marketing/Advertising brokerage agreements are only accepted for International listings, where the subject property is located outside the United States.

"Open listings" and "net listings" are not accepted by the Service. ~~Open listings are not accepted because the inherent nature of an open listing is such as to usually not include the power to offer cooperation and compensation.~~ Net listings are not accepted because ~~(1) they are considered unethical, and (2) by nature they do not permit cooperation and compensation on a blanket unilateral basis.~~

## Rules and Regulations

~~Any brokerage agreement between a seller and Listing Broker that qualifies the cooperative compensation offered or paid to a cooperating broker if the participant holds a particular license or credential, engages in a particular trade or profession, or if the range of potential participant is otherwise arbitrarily restricted (i.e. purchaser is a real estate licensee, related to a real estate licensee, etc.) shall not be accepted by the Service (See Section 9.15). Note that Illinois Real Estate License Law requires that all exclusive brokerage agreements must provide for minimum services to (1) accept delivery of and present to the client all offers and counteroffers to buy, sell or lease the client's property or the property the client seeks to purchase or lease (2) assist the client in developing, communicating, negotiating, and presenting offers, counteroffers and notices that relate to the offers and counteroffers until a lease or purchase agreement is signed and all contingencies are satisfied or waived, and (3) answer the client's questions relating to the offers, counter offers, notices and contingencies. Any Exclusive Brokerage Agreement between a seller and listing broker that qualifies the cooperative compensation offered or paid to a cooperating broker if the participant holds a particular license or credential, engages in a particular trade or profession, or if the range of potential participant is otherwise arbitrarily restricted (i.e. purchaser is a real estate licensee, related to a real estate licensee, etc.) shall not be accepted by the Service (See Section 9.15).~~

The Service reserves the right to refuse to accept any exclusive brokerage agreement for a property or business placed into the Service which fails to adequately protect the interest of the public and the Participants, or which fails to comply with the Illinois Real Estate License laws...The Service also reserves the right to investigate reports of any broker failing to provide minimum services and request a copy of that broker's exclusive brokerage agreement for property listings. As the Service only accepts exclusive brokerage agreements, the Service will remove any property listing from the Service if the Listing Broker's exclusive brokerage agreement is not in conformity with the above.

In the event the Listing Broker's exclusive brokerage agreement is removed for failure to meet the above requirements for any exclusive right to sell or exclusive agency agreement, there shall be an automatic fine of \$500.00 for the first violation per company. For a second violation of the same company, the automatic fine shall be \$1,000.00. Thereafter, for each violation, that company shall pay a fine of \$1,500.00. "Company" shall mean a real estate firm, corporation, LLC, partnership, sole proprietorship or otherwise, and all of its branch offices.

Any language in a listing in the Service or otherwise, directing a cooperating broker to contact the seller to negotiate or present an offer shall be a finable offense in accordance with the procedures outlined in Section 9.10.1 of the MRED Rules and Regulations.

The Service shall not require a Participant to use an Exclusive brokerage agreement other than the contract the Participant individually chooses to utilize provided the listing is of a type accepted by the Service. The Service reserves the right to refuse to accept a listing which fails to adequately protect the interest of the public and the Participants. The Service may reject any exclusive brokerage agreement that establishes, directly or indirectly, any contractual relationship between the Service and the client (buyer or seller).

The exclusive brokerage agreement must include the seller's written authorization to place the listing in the Service.

MRED allows the marketing of a future buyer's contractual rights; however, the listing agent must confirm there are no provisions written into the sales contract forbidding this practice and the previous listing must be in a PEND status. The listing agent must mention in the listing's Remarks field "This sale is based on the completion of a prior transaction".

Failure to reflect the accurate listed price in any exclusively listed property shall result in an automatic fine of \$250.00 for the first offense, \$300.00 for the second offense, \$500.00 for the third offense and \$1,000.00 for each offense thereafter. Within 72 hours from the date of the fine notice of MRED to the offending Service Participant, the listing price shall be changed by the Service Participant and, if not, such listing shall be removed from the Service.

### SECTION 1(f): AUCTION LISTINGS AND DETAILS

Listings that are the subject of an auction may be entered into the Service; Auction properties must be the subject of a Listing Agreement, in accordance with all other listing agreement requirements contained within this Section 1(b).

The list price must be the greater of the minimum bid price or the reserve price unless an absolute auction, plus (when calculable) any required buyer's fee or premium charged to the buyer at auction. Details of any required buyer's fees for the auction including calculations or premium charged to the buyer at auction must be disclosed in the Agent Remarks field of the listing.

The Remarks field must disclose a) when the property described in the Listing is subject to an auction; and/or b) if the owner requires an auction after an accepted offer.

The Agent Remarks field must include details of the auction (the auction type, auction date, auction location, showing and preview instructions, bidding format, buyer premiums or other charges, whether offers may be submitted prior to the auction, and where to submit offers), or a web link to a website including same. Upon acceptance of an offer, the listing shall be updated to include the appropriate CTG/PEND status. If contingent awaiting auction, it must include the Contingency Flag field entry of CTGA (contingent on auction). After the auction has been completed, if any contingencies still remain, the Contingency Flag field must be changed to the remaining appropriate contingency flag.

Details regarding photos and auction listings can be found under Section 6.1.1

### SECTION 1(g-d): PRIVATE LISTINGS

The MRED Private Listing is a tool for Participants to provide “mini-drafts” of property information for those listings the Participant chooses to have as a Private listing. Private Listings must be the subject of a Listing Agreement, in accordance with all other listing agreement requirements contained within Section 1(b).

The fields for the Private listing are a small sub-set of the required fields for the Standard listing. Please see Section 9.10 for further information regarding required fields.

Private listings may be viewed exclusively by Participants of MRED’s MLS system and are not included in MRED’s IDX/Broker Reciprocity Program or feeding to syndication sites. The listing agent must approve and/or be contacted for approval to share information about the property with clients.

There is no minimum or maximum period of time a listing can be private, as long as the time chosen is within the parameters of the written listing agreement. Listing History is maintained on Private listings, but other MLS system functionality normally available is not on Private listings, i.e. market time or, statistics.

The listing can go from a Private listing to any other status, where it will be treated as all other properties in that status. Transactions where procuring cause was produced while it was a Private listing must be changed to a Standard listing and reported closed.

Private listings can expire.

No participant may reproduce or use another broker's property listing remarks without obtaining prior written authorization from the broker. In the event a listing is not complete in detail or makes reference to a multiple listing service other than the Service or a Participant that is not a Participant in the MRED Service, then upon 72 hours' notice to the Listing Broker the Service shall purge that listing if the Listing Broker fails to complete any detail or fails to delete any reference to another multiple listing service or a Participant that is not a Participant in Midwest Real Estate Data, LLC.

### ~~SECTION 1.9: SPECIAL CONDITIONS APPLICABLE TO LISTINGS~~

In such instances, the fact that the commission is subject to court approval or pursuant to a short sale, and either the potential reduction in compensation payable to cooperating brokers, or the method/amount by which the potential reduction in compensation will be calculated, must be clearly a) disclosed or communicated; and b) agreed to (per company policy) by the potential cooperating brokers prior to the closing.~~

#### ~~VARIABLE RATE COMPENSATION — "V"~~

~~This is an arrangement in which the seller agrees to pay a specified commission if the property is sold by the Listing Broker without assistance and a different commission if the sale results through the efforts of a Cooperating Broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold by the Listing Broker either with or without the assistance of a Cooperating Broker and a different commission if the sale results through the efforts of a seller/landlord. This shall be disclosed by the Listing Broker~~

## Rules and Regulations

~~as "V" in the SCI field. The Listing Broker shall, in response to inquiries from potential Cooperating Brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. ### SECTION 1.18: LISTINGS OF "OVER-55" PROPERTIES

Any listing otherwise eligible for dissemination in the Service that is located within a community that is "qualified housing for older persons" under the Fair Housing Act and may thus lawfully limit occupancy to such older persons (an "over-55 community") shall include a statement specifically disclosing such restriction in the "Remarks" Section of the property data record. Before such a listing is input into the Service, the listing Participant shall secure a written representation from the seller or the over-55 community's management company or its legal counsel that any restriction on the age of the occupants of the property otherwise eligible for dissemination in the Service, is located within a community that is "qualified housing for older persons" under the Fair Housing Act and may thus lawfully limit occupancy to such older persons (an "over-55 community") and shall include a statement specifically authorizing the disclosure of such restriction in the "Remarks" Section of the property data record and further that any restriction on the age of the occupants of the property does not violate any federal, state, or local law. The listing Participant's submission of a listing to the Service that is subject to a restriction on the age of the occupants of the property shall constitute the listing Participant's commitment to defend, indemnify, and hold harmless the Service against any claim that the Service, by including such remarks, has violated any local, state or federal law that prohibits discrimination against families with children or on the basis of age.

NOTE: Per the federal Fair Housing Act, a dwelling or community is "qualified housing for older persons if:

- HUD has determined that it is specifically designed for and occupied by elderly persons under a federal, state or local government program, OR
- It is occupied solely by persons who are 62 or older, OR
- It houses at least one person who is 55 or older in at least 80 percent of the occupied units and adheres to a policy that demonstrates intent to house persons who are 55 or older."

## Rules and Regulations

### SECTION 2.1: PRESENTATION OF OFFERS

The Listing Broker must make arrangements to present the offer as soon as possible or give the Cooperating Broker a satisfactory reason for not doing so.

### SECTION 2.2: SUBMISSION OF OFFERS

The Listing Broker shall submit to the seller all offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the Seller and the Listing Broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the Listing Broker shall recommend that the seller(s) obtain the advice of legal counsel prior to acceptance of the subsequent offer.

### SECTION 2.3: RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER

The Cooperating Broker or his/her representative has the right to participate in the presentation to the seller or lessor of any offer the Cooperating Broker secures to purchase or lease. The Cooperating Broker does not have the right to be present at any subsequent discussion or evaluation of that offer by the seller(s) or lessor and the Listing Broker. However, if the seller or lessor gives written instructions to the Listing Broker that the Cooperating Broker not be present when an offer to the seller that the Cooperating Broker secured is presented, the Cooperating Broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the Listing Broker's right to control the establishment of appointments for such presentations.

### SECTION 2.4: RIGHT OF LISTING BROKER IN PRESENTATION OF COUNTEROFFER

The Listing Broker or the Listing Broker's representative has the right to participate in the presentation of any counteroffer made by the seller or lessor. The Listing Broker does not have the right to be present at any discussion or evaluation of a counteroffer by the purchaser or lessee. However, if the purchaser or lessee gives written instructions to the Cooperating Broker that the Listing Broker not be present when a counter-offer is presented to the buyer, the Listing Broker has the right to a copy of the purchaser or lessee's written instructions.

### SECTION 2.5: REPORTING STATUS OF LISTING

### SECTION 2.7: REPORTING CANCELLATION OF PENDING SALE

### SECTION 2.9: ASSOCIATION/BOARD PROTOCOL

Other than stated herein, a REALTOR® Association/Board's procedures and protocol for the showing of property, negotiation, presentation and submission of offers shall control.

## SECTION 3: REFUSAL TO SELL

### SECTION 3: REFUSAL TO SELL

If the Seller of any listed property placed into the Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be communicated immediately to the Service and to all Participants. This can be accomplished by changing the listing status to cancelled or TEMP in the system.

## SECTION 4: PROHIBITIONS

### SECTION 4: INFORMATION FOR PARTICIPANTS ONLY

Unless ordered by a court of competent jurisdiction, listing data placed into the Service shall not be made available to any broker or firm, or any other person, not a member of any REALTOR® Association/Board without the prior consent of the Listing Broker.

### SECTION 4.1: "FOR SALE" SIGNS

Only the "For Sale" signs of the Listing Broker (does not include "For Sale By Owner" signs) may be placed on a property

### SECTION 4.2: "SOLD" SIGNS

Prior to closing, only the "Sold" sign of the Listing Broker may be placed on a property, unless written permission is granted by the Listing Broker.

### SECTION 4.3: SOLICITATION OF LISTING PLACED INTO THE SERVICE

Participants shall not solicit a listing on property placed into the Service unless solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and Case Interpretations, and Illinois law.

## Rules and Regulations

### SECTION 4.4: STANDARD OF PRACTICE

Section 4.3 is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4 as amended and which currently provides that, "REALTORS® shall not solicit a listing which is currently listed exclusively with another broker. However, if the listing broker, when asked by the REALTOR®, refuses to disclose the expiration date and nature of such listing; i.e., an exclusive right to sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client, the REALTOR® may contact the owner to secure such information and may discuss the terms upon which the REALTOR® might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing. (Amended 1/94)." Section 4.3 is also intended to encourage brokers to participate in the Service by assuring them that other Association/Board Participants will not attempt to persuade the Seller to breach the exclusive brokerage agreement or to interfere with their attempts to market the property. Absent the protection afforded by this Section, Listing Brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

Section 4.3 does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

### SECTION 5: ~~DIVISION OF COMMISSIONS~~ NO COMPENSATION SPECIFIED ON MLS LISTINGS

#### Section 5: NO COMPENSATION SPECIFIED ON MLS LISTINGS

Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant's access to any MLS data and data feeds.

#### ~~SECTION 5: COOPERATIVE COMPENSATION SPECIFIED ON EACH LISTING~~

~~The Listing Broker shall specify, on each listing placed into the Service, the compensation, bonuses or other incentives offered to Cooperating Brokers for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of sale (or lease) may be excused if it is determined through REALTOR® arbitration that through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the exclusive brokerage agreement. In such instances, entitlement to cooperative compensation offered through the service would be a question determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially feasible for the listing broker to collect some or all of the commission established in the exclusive brokerage agreement at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the exclusive brokerage agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing might not be paid.~~

~~In filing a property with the Service, the Participant is offering to cooperate with other Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered by the Listing Broker to the other Association/Board Participants in the Service. Specifying the compensation on each listing is necessary because the Cooperating Broker has the right to know what his compensation shall be prior to his endeavor to sell.~~

~~The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as buyer agents or in other agency or non-agency capacity defined by law) which may be the same or different.~~

~~This shall not preclude the Listing Broker from offering any Participant compensation other than the compensation indicated on his listings as published by the Service provided the Listing Broker informs the other broker in writing or in accordance through the Service in advance of his producing an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants. Any superseding offer of compensation must be expressed as either a percentage of the gross selling price, as a definite dollar amount or as a percentage of the net sale price.~~

~~The Service shall not have a rule requiring the Listing Broker to disclose the amount of total negotiated commission in his Exclusive brokerage agreement and the Service shall not publish the total negotiated commission on a listing that has been placed in the Service. The Service shall not disclose in any way the total commission negotiated between the seller and the Listing Broker.~~

~~The cooperation and compensation specified on all listings filed with the Service shall appear in one of the following forms. The essential and appropriate requirement by the Service is that the information to be published shall clearly inform the Association/Board Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the Listing Broker in~~

## Rules and Regulations

~~writing in advance of his producing an offer to purchase. The compensation specified on listings published by the Service shall be shown in one or any of the following combinations:~~

- ~~1. By showing a percentage of the gross selling price.~~
- ~~2. By showing a definite dollar amount.~~
- ~~3. As a percentage of the net sale price in the initial contract, reduced thereafter only by an agreed reduction in the amount to be paid by the buyer due to a subsequent appraisal. The net sale price is defined as the gross sale price minus amounts to be credited or paid to the buyer, as reflected in the initial sales contract.~~
- ~~4. As a percentage of the net rented price. The net rented price is the gross rented price minus amounts to be credited or paid to the tenant, as disclosed in the Agent Remarks and/or compensation field on the listing.~~
- ~~5. For commercial lease properties, net compensation may be paid on negotiated variables as indicated in the compensation/commission agreement~~
- ~~6. For new construction:--~~
  - ~~• As a definite dollar amount--~~
  - ~~• As a percentage of the new construction base price, or--~~
  - ~~• As a percentage of the new construction price with buyer upgrades~~

~~[Explanatory note: Paragraph 3 covers Residential and Commercial Sales; Paragraph 4 covers Residential Rentals; and Paragraph 5 covers Commercial Leases]~~

~~The Listing Broker may, from time to time, adjust the compensation, bonuses or other incentives being offered to any Participants. In the event there is any difference in the offer of compensation, bonuses or other incentives offered to any Participants through the Service, the compensation, bonus or other incentives offered in advance through the Service shall control and prevail.~~

~~The Service, at its discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that commissions established in the Exclusive Brokerage Agreements are subject to court approval or to lender approval; and that compensation payable to cooperating brokers may be reduced if the commission established in the Exclusive Brokerage Agreement is reduced by a court or by a lender. In such instances, the fact that the commission is subject to court or to lender approval and either the potential reduction in compensation payable to cooperating brokers or the method/amount by which the potential reduction in compensation will be calculated must be clearly a) disclosed or communicated; and b) agreed to (per company policy) by the potential cooperating brokers prior to the closing.~~

### SECTION 5.1: PARTICIPANTS AS PRINCIPALS

If Participants or any licensees affiliated with a Participant have any interest in property or a business, they shall disclose that interest and such information shall be disseminated to all Participants by placing a "Y" in the AON field.

### SECTION 5.2: PARTICIPANTS AS PURCHASERS

If any licensee affiliated with a Participant wishes to acquire an interest in property or business listed with another Participant such contemplated interest shall be disclosed to the Listing Broker prior to the time an offer to purchase is submitted to the Listing Broker.

## SECTION 6: SERVICE FEES AND CHARGES

### SECTION 6: SERVICE FEES

The Participant shall be assessed a monthly Service fee for each non-principal broker, sales licensee, licensed and certified appraiser and any other classification of real estate license who accesses the MRED system. The only exception will be when a special waiver of Service fee is granted by your REALTOR® Association/Board of Directors and approved by MRED.

Each Participant shall pay all fees and service charges as are from time to time set by the Service. Said fees and service charges shall only be such as to cover the costs of the Service and to maintain a reasonable working reserve. Billing to the REALTOR® Association/Board is to be as follows:

Each REALTOR® Association/Board under the terms of its Service Agreement with MRED shall pay a monthly fee for each Participant of their Association/Board and each licensee affiliated with said Participant, and each REALTOR® Board/Association may, in connection with the delivery and sale of the Service to its Participants and their affiliated licensees, charge whatever price the

### SECTION 6.1.1: PHOTOGRAPHS

All listings except vacant land, new construction, confidential commercial listings, Private listings and deeded parking/boat slips must have a primary photo in the system within 7 days of their entry into the system. Listings with an Auction (AUCT) status or Contingent on Auction (CTGA) contingency flag shall have a photo placeholder added as the primary photo to indicate this is awaiting auction, and the secondary photo shall be a primary photo of the property. Failure to comply with this rule may subject you to a fine. If no primary photo is submitted within 10 days, the listing will be placed in the "HOLD" status, and can only be viewed by the Listing Broker, Listing Agent and Secretary of the office. It will not appear in any searches for the general membership, and the listing will not be included on any VOW or IDX sites or fed to a third-party vendor such as REALTOR®.com, etc. The listing will be removed from the "HOLD" status once a primary photo has been added to the listing. Once the listing has been placed in hold, a violation notice will be sent to the Broker, who will have 72 hours to add the photo before a fine is imposed. The fine will be \$250.00 for the first offense per office (not per agent), \$300.00 for the second offense per office, \$500.00 for the third offense per office, and \$1,000.00 for the fourth and all subsequent violations.

Electronic transmission must be submitted in the required format, as set forth by the Service. For vacant land or proposed construction, a sketch or artist's rendering may be submitted to the Service. For confidential commercial listings, a graphic conveying the type of business or property listed may be submitted to the Service. For all other types of listings, the primary photo submitted must be an exterior shot of the residence/business and secondary photos can include additional exterior and/or interior shots. Photos submitted may not be removed from the Service, with the exception of (1) replacing photos to reflect a change in the seasons, (2) reflecting improvements to the home; or (3) substituting a higher quality photo of the same image. While secondary photos may not be removed from the Service, a Listing Broker may instruct the Service to suppress off market secondary photos (but not primary photos) from the Service's data feed to third parties (e.g., IDX data feeds) which shall include the Participant's own IDX site. Removal of photos shall result in a \$250 fine and the photos will be restored to the listing. All photos should pertain strictly to the subject property and may not prominently display any names, contact information (digital or otherwise), URLs and/or links, QR codes (or similar) REALTOR® or realty office logos and/or branding, for sale signs, persons, collages, or audio/video/text commentary. Cloning of any photo by a different brokerage firm is strictly prohibited. The same verbiage and language restrictions/prohibitions that apply to the Property Description/Remarks also apply to all photo captions and photo remarks.

All photos/virtual tours should pertain strictly to the subject property and may not prominently display any names, contact information (digital or otherwise), URLs and/or links, QR codes (or similar), for sale signs, persons, collages, or audio/video/text commentary, with the exception of a livestream showing and livestream open house, which may reflect these elements during the live display only. Brokerages will have the option to show all livestream links on their website, show none of the links on their website or just show links from their brokerage.

Virtual tours submitted to the Service may not require any registration. Once an office is notified that their photo/virtual tour is in violation of the above rule, there shall be a fine imposed for subsequent occurrences per office as follows: \$250.00 fine for first occurrence after notification, \$300.00 for the second occurrence per office, \$500.00 for the third occurrence per office, and \$1,000.00 for every occurrence thereafter.

Using photos without written permission from the intellectual property owner is strictly prohibited. Violation of this rule will result in an automatic \$250.00 fine per occurrence (i.e., each submission of a violating photo). The complaining firm must submit proof (i.e. copy of prior listing with copies of original photos, invoicing for photos) of a violation to this rule to the Service before a notice will be sent to the listing firm. The new listing firm will have 72 hours to remove the photos. If the listing firm does not remove the photos, MRED will remove or deactivate access to the infringing content after the 72-hour period. Once the disputed photo has been removed and a firm has been fined, it will have 20 days to file an appeal in accordance with the MRED Rules and Regulations. If an appeal is filed, MRED will notify the complainant of the appeal and repost the disputed photo in not less than ten, nor more than fourteen, business days pending the outcome of the appeal, unless the complainant notifies MRED that that the complainant has filed an action seeking a court order to restrain the alleged infringer from engaging in infringing activity on the MRED MLS system. If no appeal is filed, the photos in violation of this rule will be permanently removed by the Service at the end of the appeal period.

Every Participant and subscriber utilizing MRED listing data must post the exact same DMCA Notice on its website—by doing so, the Participant/subscriber agrees to designate the MRED DMCA Agent as its DMCA agent for any takedown requests. Accordingly, any concerns regarding the use of copyrighted material on any MRED or Participant/subscriber web site shall be directed to the MRED DMCA Agent, who will accordingly respond to reports alleging copyright infringement.

The DMCA specifies that all infringement claims must be in writing (either electronic mail or paper letter) and must include the following:

1. A physical or electronic signature of the copyright holder or a person authorized to act on his or her behalf;
2. A description of the copyrighted work claimed to have been infringed and multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site;

6. A statement that the information in the notification is accurate, and under penalty of perjury, that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Upon notification of a possible copyright violation, the MRED DMCA Agent will expeditiously remove the material in question and inform the Participant and/or subscriber responsible for its posting, or else contact the Participant and/or subscriber to request removal if MRED is unable to remove the material in question, at which point the Participant and/or subscriber must expeditiously remove the material. If agreement cannot be reached between the MRED DMCA Agent and the Participant and/or subscriber, the matter will be brought before MRED's Board of Managers for resolution. Material found to be in violation of copyright law will remain removed. If, however, material is found not to be in violation of copyright law, it may be reposted. The MRED DMCA Agent will be responsible for communicating with the claimant regarding the final disposition of the claim of copyright infringement. The MRED DMCA Agent will keep a record of all claims of copyright violation. Participants and/or subscribers who receive three complaints or Participants and/or subscribers who refuse to remove material when requested will be barred from use of the MRED MLS system.

A Participant and/or subscriber may submit a counter notification if he disputes the fact that the posted material is infringing. nor more than fourteen, business days following receipt of the counter notice, unless the MRED DMCA Agent first receives notice that the claimant has filed an action seeking a court order to restrain the infringing party from engaging in infringing activity on the MRED MLS system.

Please note that the MRED DMCA Agent is provided to Participants, free of charge, solely as a beneficial service, and MRED, by doing so, in no way takes on liability for any copyright infringement, nor does such service alter traditional copyright infringement liability principles in any way. Therefore, the role of the MRED DMCA Agent is solely to notify Participants and/or subscribers of any copyright infringement claim. Participants and/or subscribers who post infringing content may nonetheless be liable to the copyright owner for copyright infringement according to traditional copyright liability principles.

### SECTION 28: USE OF INFORMATION

Use of information developed by or published by the Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by the Service where access to such information is prohibited by law.

### SECTION 29: DISPLAY

Participants and those persons affiliated as licensees with such Participants shall be permitted to display the Service's Compilation of listing information to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers or sellers for the properties in the Service Compilation.

### SECTION 30: REPRODUCTION

Participants or their affiliated licensees shall not reproduce any Service's Compilation of listing information or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the Service's compilation of listing information, and distribute to prospective purchasers, a reasonable number of single copies of property listing data contained in the Service compilation which relate to any properties in which the prospective purchasers are, or may, in the judgment of the Participants or their affiliated licensees, be interested. Nothing contained herein shall be construed to preclude any Participants from utilizing, displaying, distributing, or reproducing property listing sheets or other Compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any Service information delivered electronically or in any other form or format is for the exclusive use of the Participants and those licensees affiliated with the Participants who are authorized to have access to such information. Such information may not be transmitted, re-transmitted or provided in any manner to any unauthorized individual, office or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, "sold" information, "comparable", or statistical information from utilizing such information to support an estimate of value on a particular property for a particular client. However, only such information that has deemed to be non-confidential and necessary to support the estimate of value may be reproduced and attached to the report, as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations.

It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable," as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus "reasonable" in number, shall include, but are not limited to, the total number of listings in the Service's Compilation of listing information, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Note: Effective October 1, 2011

MRED prohibits the delivery of Agent Only Information to the general public, with the exception of seller clients, administrative staff and technical vendors. "Agent Only Information" is defined as the following data: Agent Remarks, Showing Instructions, Lockbox Codes,

and Expiration Dates. ~~The Cooperative Compensation field's information may be publicly advertised.~~ Violation of this rule will result in an automatic fine of \$250.00 per reported occurrence.

### SECTION 30.1: SHARING OF MLS ID

Dissemination of your MLS ID number with non-subscribers except for authorized vendors or required contract disclosures is strictly prohibited.

## SECTION 31: USE OF SERVICE INFORMATION

### SECTION 31: LIMITATIONS ON USE OF SERVICE INFORMATION

Use of information from the Service's Compilation of current listing information, from the Participant's "Statistical Report," or from any "sold" or "comparable" report of the Service for public mass media advertising by a Participant or in other public representations by a Participant may not be prohibited.

However, any printed or non-print forms of advertising or other forms of public representations must clearly demonstrate the period of time over which such claims are based and must include the following notice:

"This representation is based in whole or in part on data supplied by Midwest Real Estate Data, LLC for the period (date) through (date). Midwest Real Estate Data, LLC does not guarantee nor is it in any way responsible for its accuracy. Data maintained by Midwest Real Estate Data, LLC may not reflect all real estate activity in the market."

## SECTION 32: BROKER RECIPROCITY / IDX

These policies are available through the MLS GRID at [MLS Grid IDX Rules](#).

## SECTION 36: USE OF TERMS

### SECTION 36.1: USE OF TERMS

The acceptable use of the term "Service" or "MLS" or "Multiple Listing Service" is for a Participant to indicate they are a Participant of Midwest Real Estate Data LLC.

As used in Sections 36 of these Rules, the term "Participant" includes a Participant's affiliated non-brokers and sales licensees- except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision and accountability".

No Participant or Non-Participant shall indicate or imply or infer in any medium (electronic or otherwise) that the Participant or Non-Participant is or operates a multiple listing service. Participants and Non-Participants shall not use the term "multiple listings service" the acronym "MRED" or any derivatives in company/firm names. No Participant or Non-Participant shall indicate, imply or infer in any manner that the Participant is a multiple listing service or that the public has access to or may search the multiple listing service (e.g. "Search the MLS" or "Access/Search MRED/Midwest Real Estate Data, LLC") on their own Web sites or in any advertising media. All existing uses of such terms in the previously stated manner are subject to the penalties stated in this rule.

Use of the term "multiple listing service" the acronym "MLS" or any derivatives is acceptable in Domain names, web addresses, and URL's, as long as the name does not imply and/or infer that the web site is associated with, or operated by Midwest Real Estate Data, LLC (MRED).

### SECTION 36.2: GRANDFATHERING COMPANY NAMES

If the Participant's office, firm, corporation, limited liability company or partnership name is registered with the Secretary of State and accepted by a Board/Association at the time the Participant joined the Association/Board and became a Participant in the Service and prior to April 1, 2008, the Participant is permitted to advertise itself using its company's name provided that Participant complies with all other terms of MRED's Rules and Regulations.

## Rules and Regulations

### SECTION 36.3: RULE VIOLATION PENALTIES

Any Participant or Non-Participant who continues to operate a website, maintain a corporate name, uses the words MRED or derivatives in their name or is otherwise in contravention of Section 36.1 shall be fined \$500.00 for the first offense, \$1,000.00 for the second offense and \$2,500.00 for the third offense. In each case, the Participant or Non-Participant shall remove the offending language that violates Section 36.1 within seventy-two (72) hours of written notice from MRED. Failure to do so will result in such Participant or Non-Participant's data feeds and agreements with such Participant or Non-Participant or third-party vendor servicing such Participant or Non-Participant to then cease until full compliance by such Participant or Non-Participant with this Rule. Any further non-compliance would result in termination of the Participant's Service access privileges.

## SECTION 37: VOW RULES

### SECTION 38.2: TRANSMISSION OF LISTING CONTENT

Participants and their agents may transmit listing content according to the following guidelines:

- a) The VOW database may be published via Mobile Devices so long as said publication is done in accordance with the provisions of Section 37 of these Rules and Regulations.
- b) The IDX database may be published via Mobile Devices and/or Electronic Display Devices so long as said publication is done in accordance with the provisions of Sections 32 through 35 (the "Broker Reciprocity" sections) of these Rules and Regulations.
- c) Notwithstanding the foregoing as specified in Section 38.2 (b) regarding IDX data published via Mobile Devices, the requirements to post logos and display the MRED-approved icon is waived specifically for Mobile Devices only. The following language shall suffice for MRED's copyright notice: "this listing is part of the MRED data exchange program provided courtesy of [the listing office's name]." This language will be delivered via text or voice as part of the data being delivered to the mobile device for each listing.

## SECTION 39: USE OF CONTACT INFORMATION POLICY

### SECTION 39.1: DEFINITION OF APPROPRIATE/INAPPROPRIATE USE

The purpose of user contact information (address, phone number, fax number, email address, etc.) contained within MRED systems is to aid in the transaction of real estate business.

## Rules and Regulations

Contact Information is prohibited from being used for solicitation of services outside the scope of the transaction of real estate business. Inappropriate use of contact information (email address, etc.) includes, but is not limited to:

- Mass solicitation for employment/recruiting.
- Unsolicited mass distribution of listings and/or other marketing materials to MRED system users.
- Mass offering of products and/or services not related to the transaction of real estate business.
- Spam
- Downloading of any form of contact information (email address, phone number, fax number, etc.) for a purpose other than transacting real estate business is strictly prohibited.

In the event an individual email is sent from one MRED system user to another, it must also comply with Section 9.8: E-mail/Use of the Term "MRED" as found in these MRED Rules and Regulations.

### SECTION 39.2: REMEDY

Every system user and/or vendor is restricted from utilizing contact information contained in MRED's systems in the prohibited manner(s) detailed above. In the event of inappropriate usage of contact information, MRED reserves the right to suspend and/or terminate access to MRED systems as MRED sees fit to remedy said inappropriate use. MRED reserves the right to additionally pursue all available remedies as detailed in MRED's Rules and Regulations and in accordance with applicable law.

## SECTION 40: ~~MLS DATA SHARING COOPERATIVE~~

### SECTION 40.1 — DEFINITIONS

~~40.1.1 "MLS Data Sharing Cooperative" or "DSC" means the unincorporated association of REALTOR® associations and multiple listing services (the "DSC MLSs") providing access to the active multiple listing data of each DSC MLS to the Participants of all the DSC MLSs. "DSC" refers both to the associations and to the DSC MLSs. MRED is a DSC MLS.~~

~~40.1.2 "Other MLS" means any DSC MLS, other than MRED, from which Participant or its salespeople wish to obtain access to listing information.~~

~~40.1.3 "Other MLS Policies" means the Other MLS's bylaws, policies and procedures manual, and rules and regulations, as the Other MLS amends them from time to time. These policies may differ from those of MRED.~~

### SECTION 40.2 — PURPOSE

~~The purpose of the DSC is to make it possible for participants and subscribers of each DSC MLS to disseminate listing information to, make offers of compensation to, and receive offers of compensation from participants in all the other DSC MLSs. Firms that cannot make offers of compensation and are not entitled to active listing information in MRED's systems are not entitled to use the DSC.~~

~~A statewide data share should deliver MLS data through a common technology interface (e.g., API) of all data fields, to all Participants of MLSs in the statewide data share. However, the data should not include MLS-only data fields that are viewable only to the listing Participant and the respective local MLS.~~

~~Note: Considerations should be given to:~~

~~• Inclusion of local data fields (non-RESO Standard fields);~~

~~• Individual MLS's "attached document" retention policies and state laws regarding the sharing and retention of documents related to a previous transaction (privacy laws);~~

### SECTION 40.3 — OFFERS OF COMPENSATION

~~Offers of Compensation only apply between DSC MLSs which have agreed to offer reciprocal compensation between their participants. Any offer of compensation implies that all parties are properly licensed in the necessary jurisdiction(s) and are legally capable of offering/receiving compensation. Each participant in each DSC MLS, including Participant, is bound by its offer of compensation in its home MLS with regard to all other Participants in DSC MLSs. In other words, if a broker with authorized DSC access in another MLS~~

## Rules and Regulations

~~finds Participant's listing in MRED's systems and is the procuring cause of its sale, Participant is obliged to pay to that broker the compensation specified on the listing record in MRED's systems, subject to these rules. The compensation on a listing appearing through the DSC is the same as the compensation appearing in the MLS where the listing record originates. In the event a property is listed in more than one MLS, and the compensation offered on those listing records varies, the listing broker and cooperating broker must resolve any differences through negotiation, mediation, or arbitration as provided under these rules.~~

### ~~SECTION 40.4 LISTING BROKERS PARTICIPATING IN MORE THAN ONE MLS~~

~~If a Participant in MRED is also a Participant in any other DSC MLS, and the Participant enters a listing for a property into MRED's systems and any other DSC MLS with differing cooperating commission amounts, the follow provisions shall apply:~~

~~40.4.1 **Cooperating broker chooses which offer to accept.** If a cooperating brokerage is aware of multiple offers of compensation from a listing brokerage on the same property in different DSC MLSs, the cooperating brokerage may select which offer of compensation it will accept. If the cooperating brokerage is the procuring cause of the sale of the property, it will be entitled to payment according to the offer of compensation that it accepted.~~

~~40.4.2 **Arbitration required.** In the event of a dispute regarding compensation under this Section, listing brokerage and cooperating brokerage shall submit to arbitration under Article 17 of the Code of Ethics of the National Association of REALTORS® as provided in these rules.~~

~~40.4.3 **Evidence to be considered.** In the event of an arbitration arising in a dispute under this Section, the arbitration panel may consider, in addition to all other information, testimony from the cooperating brokerage regarding its awareness of listing brokerage's multiple offers and testimony and contemporaneous records from listing brokerage regarding the cooperating brokerage's stated expectation of compensation at the time the cooperating brokerage submitted the offer that was eventually accepted by the seller.~~

### SECTION 40.5 COMMISSION DISPUTES

Participants must mediate or arbitrate (or both) any dispute over any commission offered through the DSC between Participant and any other broker or licensee participating in any DSC MLS. All mediation and arbitration will take place as set forth in Article 17 of the National Association of REALTORS® (NAR) Code of Ethics. Participant accepts the jurisdiction and mediation and arbitration procedures of the Minnesota Association of REALTORS® (MAR).

### SECTION 40.6 ACCESS TO OTHER MLSs

Access to data of Other MLSs is subject to the following provisions:

40.6.1 **Access to Listing Data in Other MLSs.** Participant and its salespeople may have access to the active listings of an Other MLS through the DSC according to the terms of that Other MLS's rules and regulations. Access to active listings in other DSC MLSs is available only to those Participants entitled to access to active listings in MRED's systems.

40.6.2 **No Input or IDX/Broker Reciprocity<sup>SM</sup>.** Neither Participant nor its salespeople are entitled to (i) input any listing content into an Other MLS Database or (ii) use any portion of an Other MLS Database on any IDX or Broker Reciprocity<sup>SM</sup> web site of Participant. These privileges are limited to brokers and licensees who become Participants and subscribers directly to the Other MLS.

### SECTION 40.7 APPLICATION OF OTHER MLS RULES

If the Participant accesses or allows any of its salespeople to access the listing data of an Other MLS, Participant becomes bound by the rules and regulations of that Other MLS with regard to that listing data and with regard to any transaction arising from use of that data. The following provisions also apply.

40.7.1 **Priority of Rules and Agreements.** Access by Participant and its salespeople to the Other MLS Database is subject at all times to the limitations set out in the Other MLS Policies. In the event of an apparent conflict between the Other MLS Policies and these rules, Participant's obligations and rights shall be determined, in order of precedence, by the Other MLS Policies, by any agreement between Participant or its salespeople and the Other MLS, and by these rules.

## Rules and Regulations

- 40.7.2 **Use limited.** Participant and its salespeople may use the Other MLS Database solely for the purpose of selling, listing, leasing, and appraising real estate as provided in the Other MLS Policies. Except as expressly provided in the Other MLS Policies, Participant and its salespeople may not copy, create derivative works of, distribute, perform, or display the Other MLS Database or any part of it.
- 40.7.3 **Confidentiality.** Participant and its salespeople shall maintain the confidentiality of all user IDs and passwords and of the Other MLS Database; Participant, its salespeople, and its employees shall not provide IDs or passwords to any third party. To maintain the confidentiality of all user IDs, passwords, and the Other MLS Database, Participant, its salespeople, and its employees shall take the greater of reasonable care or the care Participant takes to protect its own confidential information.
- 40.7.4 **Consideration of alleged rule violations.** Participant must submit to the jurisdiction of the Other MLS with regard to any alleged violation of the Other MLS Policies, whether relating to a listing record in the Other MLS Database or to another broker Participant in the Other MLS. Participant remains subject to the rules of MRED as well. As a result, it is possible that the same act or acts could constitute a violation of policy in both the Other MLS and MRED, and that Participant may be sanctioned in both MLSs if Participant is found culpable. Participant consents to Other MLSs communicating the final resolutions of disciplinary proceedings to all DSC MLSs.
- 40.7.5 **Fines.** The Other MLS may collect fines from Participant for violation of the Other MLS Policies. Payment terms for fines are set out in the Other MLS Policies. The Other MLS may amend its schedule of fines and terms for collecting them at its sole discretion at any time. In the event Participant fails to pay a fine levied by the Other MLS, the Other MLS may discontinue further access to the Other MLS database by Participant and its licensees.
- 40.7.6 **Other sanctions.** In addition to fines, Participant may be subject to other sanctions levied by MRED and by the Other MLS, including discontinued access to the DSC, the Other MLS Database, or MRED itself.

### SECTION 40.8 DISCLAIMER OF WARRANTIES

The Other MLS provides the Other MLS data on an “as is,” “as available” basis. Use of the Other MLS data and the information available through the Other MLS data are at Participant’s sole risk. MRED and the Other MLS do not warrant that the Other MLS data will be uninterrupted or error-free, accurate, complete, current or reliable.

### SECTION 40.9 SAVED INFORMATION

Saved Information in the DSC may not always be available to Participant and its salespeople and may become available to unauthorized persons. MRED and the Other MLS are not liable for unauthorized access to or loss of Saved Information.
